

AGI AFFILIATE PARTNERS – WHAT TO EXPECT.

Business Development and Pre-Sales Activity	Promote your product through AGI's 15 domestic and international sales teams.
	Develop sales material with AGI support.
	Dedicated Web page content: company background, product details, link to your homepage.
	Benefit from your company profile being circulated internally through our Intranet site.
Marketing	Receive references to partner offerings in AGI marketing material. Secure free registration and optional booth space at AGI Users' Conferences.
Training	Get training on AGI products at no charge.
Integrating with AGI Technology	Attain, at AGI's discretion, modifications to AGI software that enable interoperability with partner products.
Communications	Attend AGI's Annual Partner Summit.
	Receive AGI's in-house magazine, <i>InView</i> .
	Acquire advance notice on product changes and upgrades.
	Access beta products on request.
Licensing	AGI products available for in-house development and testing.
